

the limits of Allegany county, and also for the purpose above mentioned shall have power to make such by-laws and regulations as may be necessary; *provided*, they be consistent with the laws of this State and of the United States.

Proviso.

Sec. 2. *And be it enacted*, That for the purpose of enabling said company to transport the products of their mines and manufactures to market the said corporation shall be and hereby invested with all and singular, the rights, privileges, powers, authorities and immunities and advantages for surveying, locating and constructing railroads, with the necessary appurtenances, from their mines and work to connect any convenient point or points with other existing railroads in Allegany county, and for the making, constructing, preserving and controlling the said railroads and the necessary vehicles and appurtenances thereto belonging and any part thereof, and which by the Act, and more particularly the fifteenth section thereof, incorporating the Baltimore and Ohio Railroad Company and its several supplements were for the lawful purposes of said company and the benefits of its corporation given, granted and authorized and secured to the said company and the President and Directors thereof respectively, as fully and perfectly as if the same were herein repeated, and the said corporation shall transport on its railroad or tram way; which it may purchase as hereinafter authorized, all persons and property at the same rate of tolls and price of transportation as charged and received or shall or may be allowed to charge and receive by the Baltimore and Ohio Railroad.

Rights and privileges.

Sec. 3. *And be it enacted*, That said corporation shall have full and uninterrupted enjoyment and use of all water ways, privileges and courses passing through the said company's lands that may be acquired either by lease or purchase as hereinafter provided, and shall have power to erect and establish such piers and constructing and maintaining such boom or booms as may be necessary for the purpose of stopping and holding logs, boards, and such other floating timbers as may be necessary for the legitimate purposes and use of the manufactories and enfranchisements herein

Further rights and powers.
