

Administration.

The government of the University is vested by law primarily in a Board of Regents, consisting of nine members appointed by the Governor for terms of nine years.

The administration of the University is vested in the President. The University Council, composed of the President, the assistant to the President, the Director of the Agricultural Experiment Station, and the Director of the Agricultural and Home Economics Extension Service, and the Deans, acts as an advisory board to the President on all phases of University work. The faculty of each college or school constitutes a faculty council, which passes on all questions that have exclusive relationship to the unit represented.

The university is organized into the following units:

- College of Agriculture.
- College of Engineering.
- College of Arts and Sciences.
- School of Medicine.
- School of Law.
- School of Dentistry.
- School of Pharmacy.
- College of Education.
- College of Home Economics.
- The Graduate School
- The Summer School.
- Extension Courses in Commerce and Business Administration.
- Department of Military Science and Tactics.
- Department of Physical Education and Recreation.
