

the Board within ninety days following adjournment of the General Assembly a detailed budget schedule drawing the proposed apportionment and disbursement. No part of such lump sum appropriation may be expended unless and until such budget schedule is approved by the Board.¹⁴

Any railroad company which plans to build a bridge across any canal or navigable water must submit the plan of the bridge to the Board for approval.¹⁵

The Board may grant, for an adequate consideration in money, the right to remove sand, gravel, etc., from the bed of navigable rivers.¹⁶

The Hall of Records Commission makes recommendations to the Board on storage space and services for keeping records.¹⁷

Agencies, such as the State Board of Barber Examiners,¹⁸ must submit to the Board an itemized estimate of the amount of fees, expenses, and disbursements; and no agency may make any expenditures except for purposes so approved by the Board.¹⁹ The Board determines which of such agencies can discharge its duties at the office of the State Commissioner of Personnel.²⁰ The Board authorizes a working cash balance to be carried over to such agencies. The position of any secretary or

other employee of any such board or agency,²¹ which the Board may determine to be unnecessary because of the statute, is abolished and the Board may take steps to terminate any lease.²²

The construction part of the Sanitary Facilities Fund is available to the Board to finance construction of basic main facilities of a sewerage system, as defined in the federal Water Pollution Control Act.²³

The Board holds the deed to Morgan State College.²⁴

The Board appoints a member to the Board of Trustees of the Employees' Retirement System who serves a four year term.²⁵

WORKINGS OF THE BOARD

The Board appoints a full-time secretary who holds office during good behavior regardless of any changes in the membership of the Board. The secretary can be removed only for incompetency or immorality upon charges furnished in writing by the Board and after giving the secretary an opportunity for a hearing.²⁶

The secretary, along with the director of Public Improvements, the director of Budget and Procurement, and the director of Forests and Parks, sits with the Board and has no vote. The secretary prepares an agenda which picks up any miscellaneous duties which the Board
