AMENDMENT TO THE CONSTITUTION OF 1864²

Proposed by Act of 1865, resolution 11. Ratified 1866.

Repeal of Article VIII, Section 6 which provides that a tax of five cents on the \$100 shall be levied upon the taxable property in this State for the creation of a school fund, until said school fund shall amount to six millions of dollars.

² *But see* A. NILES, MARYLAND CONSTITUTIONAL LAW 333-34, (1915) in which the author states: "The Constitution of 1864 provided for amendments which might be proposed by the general assembly to be effective only when adopted by the people, and

also for the amendments to be made by a convention convened for that purpose, provided such amendments were ratified by the people, *but as matter of fact during the three years of the life of that Constitution, no amendment was made.*" (Emphasis added.)
