

The Maryland Workshop for the Blind, located 601 N. Fulton Ave., Baltimore, was founded by an Act of the Legislature of 1908, Chapter 566.

It is governed by a Board of Directors, three members of which are appointed by the Governor and two by the Board of Directors of the Maryland School for the Blind.

The Board, under the law, is made a body corporate with power to employ a secretary and other necessary employees and fix their compensation.

It has been the custom for the Board to elect a Superintendent and the other employees, including a manager; teachers, janitor, etc., are chosen by the Superintendent, with the approval of the Board of Directors.

Blind men and women are admitted to the workshop for training.

The Workshop is a training school for the adult blind of the State as well as a place of employment for those who have become trained workmen. It is, in no sense a home, as those under training or employment do not live there, but go from their homes or boarding places each day, just as do seeing persons who work in factories, etc.

The building in which the shop operates was purchased by the Maryland School for the Blind at no cost to the State, the funds to pay for it having been raised by public subscription.
