REPORT.

To the Honorable,

The General Assembly of Maryland :

The Committee appointed to select and purchase a site for and construct a mansion for the use of the Governor of Maryland, beg leave to respectfully report that it fully accords with the Joint Committee on Public Buildings, which on the 30th January reported to the Senate and House of Delegates that they had examined the several sites offered to them, and had *unanimously* determined upon the lots offered by Mrs. M. Your Committee, coinciding in the views of said Joint Committee, respectfully recommend the selection of the lots above mentioned as a suitable site for the Governor's mansion.
