

locate the ground for a new road along the said valley of Will's Creek with the same limits and boundaries that are allowed for other county roads. And the said Commissioners are hereby fully empowered to contract and bargain with the owners of the lands on which the new road shall be located for the purchase and conveyance of said land to Allegany County for said road.

Report cost.

Sec. 3. *And be it enacted*, That said Commissioners as aforesaid shall report all of their proceeding with their estimates of the probable cost of repairing the old road, and if they should deem a new road preferable, they shall also report to the Commissioners of Allegany County the probable cost of said new road.

Levy.

Sec. 4. *And be it enacted*, That the Commissioners of Allegany County are hereby authorized, if in their judgment deemed expedient, to levy at their regular levy term for making levies to meet the county expenses, such sum or sums of money as the said Commissioners, named in the first Section of this Act, shall report to them as being necessary, either to repair the present road or to lay out and make a new road, provided, nevertheless, that the Commissioners of Allegany County shall not be authorized to levy any part of the money deemed necessary to improve and repair the old road or to make a new road, until said County Commissioners shall first be made satisfied that one-sixth part of the amount deemed necessary to repair the old road or make a new road has been subscribed by private individuals, the same to be paid by said private individuals either in money, labor or materials; it is hereby distinctly understood that all of these private subscriptions are to be applied solely to the filling up of the present road or to the making of a new road, and are not to be required by the said Commissioners of Allegany County for any future repairs of the road after the first year.
