

vested in the Company hereby incorporated, and for carrying the objects of this Act into effect, provided only, that such by-laws shall not be contrary to the laws of this State, or any of the provisions of this Act.

Powers.

Sec. 10. *And be it enacted*, That the President and Directors of said Company shall be, and they are hereby invested with all the rights and powers necessary to construct and operate a railroad or railroads, not over one hundred feet in width, from Frederick by way of Catoctin Furnaces and Mechanicstown to the Pennsylvania and Maryland State line, in the vicinity of Emmitsburg, with as many tracks or sets of tracks as the said President and Directors may deem necessary; and for the more thorough and effectual development of the mineral resources of the county adjacent to the line of their road, they shall have the right and power to construct and operate in a similar manner lateral railroads from any point or points on the main line of their road to the distance of twelve miles on either side thereof, and they may cause to be made, or may contract with others for making, any part of said railroad or railroads, and they, their agents, or those with whom they may contract for making any part of the same, or their agents, after the purchase or condemnation thereof in the manner hereinafter prescribed, may enter upon, use and excavate any land that may be wanted for the site of said railroad, or the erection of warehouses or other works necessary for said railroad, or for any other purposes necessary for the construction or repair of said railroad or its works; and they may build bridges, fix scales and weights, lay rails, and may take and use any earth, timber, gravel, stones and other materials which may be wanted for the construction or repair of any part of said railroad or its works, and may make and construct all works whatsoever necessary or expedient, in order to the proper completion of said railroad.

Repairs.

Condemn.

Sec. 11. *And be it enacted*, That the President and Directors of said Company, or a majority of them, or their agents, may agree with the owner or owners of any land, earth, timber, gravel or other materials, or any improvement, for the con-
