NOTES.

- CHAP. 1 Malt.  
 CHAP. 3. Banks.  
 CHAP. 7. Seamen.  
 CHAP. 18. Corn.  
 CHAP. 19. Fish.  
 CHAP. 21. An act for the trial of murders in cases where either the stroke or death only happens within that part of Great-Britain called England.  
 CHAP. 22. An act for the relief of debtors with respect to the imprisonment of their persons.

CHAP. 22. The only part of this statute material to be considered, is the 13th section, by which mutual debts were to be set off one against the other; but this section is considered not to have extended to the province, inasmuch as our act of assembly respecting discounts was passed the same year, 1729, Ch. 20.

The practice at present is under the act of 1785, Ch. 46, S. 7.
