CHAP. 7. See as to this statute and 31 *Eliz. Ch. 12, 2 Bl. Com. 450 and 451.* I have not found any proceedings to shew that this statute extended to the province—or that there were any such fairs generally held as could have rendered it applicable, although the privilege of holding fairs has been annexed to some towns.

I have heard that it was decided in *Anne-Arundle* county court, that there was no such place as a market overt for the sale of horses recognised in the state.
