

## ROADS.

149. All moneys appropriated for keeping in order the public roads in Baltimore county shall be expended between the first day of April, and the first day of November, in each year.

150. Two-thirds of the whole appropriation for public roads in said county shall be expended between the first day of April and the first day of June, and the balance between the first day of June and the first day of November.

151. The county commissioners may levy such sum of money as may be necessary to pay laborers on the public roads in said county such rate of wages as they may deem proper, not exceeding one dollar per day.

152. The commissioners appointed to lay out any private road in Baltimore county shall decide and report whether in their opinion the lands of the person or persons to be passed over by the proposed road or way, require for their security the setting up of fences or gates; and if so, they shall ascertain and report to the county commissioners the cost or damage which such fences or gates will occasion to the party owning the lands; and the county commissioners shall take such cost or damage into their consideration in passing on such report.

153. The setting up a gate or gates across a private road or way, as provided for in the last foregoing section, shall not be deemed an obstruction thereof.

154. The powers and duties conferred on and required of commissioners appointed to lay out a private way in said county, may in said county be exercised by three commissioners or any two of them.

155\*. The county commissioners of Baltimore county are authorized and empowered to lay out, condemn and open, for the length of not less than one mile, in Baltimore county, any street or streets, leading from the city of Baltimore, and which may have been paved to the line of Baltimore county.

156\*. Upon application, in writing, of two-thirds of the different owners of property along the line of the proposed street to be extended, the county commissioners of Baltimore county
