

152*. It shall be the duty of the Board of Commissioners of Public Schools of Allegany County to publish annually a full and complete statement of the condition of the schools under their charge, the salaries of teachers, the number of the districts, the number of pupils in each district, stating their sex, the branches taught, average daily attendance, the cost of books and stationery, with general and particular expenses of the system, and such other matters as may be of public interest in connection with said schools; no teacher to be paid without the presentation of his certificate with his order, unless it can be shown that he has lost or mislaid said certificate.

153*. The members of the Board of Commissioners of Public Schools of Allegany County shall receive as compensation for their services, not more than two dollars per day for every day that they may be occupied in attending the meetings of the board, and the same compensation shall be allowed to the committees of the board when in attendance upon such duties as the board may assign them.

154*. The Orphans' Court of Allegany county shall have power, whenever, in their discretion, they shall deem it proper, to appoint one sensible and discreet person in each election district of said county, who shall constitute a board for the purpose of dividing the county into school districts, and said board shall make such division without reference to the boundaries of election districts, and shall report said division to the Orphans' Court of Allegany county as soon as practicable, who shall have power to alter or change any lines for good and sufficient reasons; and after such division shall have been confirmed by said board the plot shall be recorded in a book kept for that purpose.

155*. The present school fund of Allegany county, and all other funds which may be by any law of this State applied to the purposes of education in said county, shall be paid directly to the Treasurer of the Board of Commissioners of Public Schools of Allegany County; and the balance necessary for the support of the schools shall be annually estimated and determined by said Board of Commissioners of Public Schools, who shall report the same to the county commissioners, who are hereby authorized and required to levy annually the sum so estimated and reported upon the assessable property of Allegany county, to be collected in the same manner as other taxes now are or shall hereafter be collected: the said school tax, when col-
