

## ROADS.

40. The supervisors of roads in said county shall work and repair the roads in their several districts between the twentieth day of April, and the thirtieth day of May, in each year.

41. They shall before they proceed to work on said roads give at least ten days' notice, by advertisements set up in at least three of the most public places in their district, of the time and place they intend to commence work.

42. They shall in no case proceed to work upon the public roads with less than ten or more than twenty hands on any one day, without the directions of the county commissioners of said county.

43. The county commissioners of Howard county shall allow supervisors and persons working on the public roads of said county, the following wages: for every supervisor, two dollars per day; to a man, one dollar per day; to a woman, seventy-five cents per day; for one yoke of oxen and cart, with driver, two dollars and fifty cents per day; and for plough and two horses, with ploughman, two dollars and fifty cents per day.

## SCHOOLS.

44. The county commissioners of Howard county shall be commissioners of primary schools for said county, and their clerk shall, without any additional compensation, perform all such duties in relation to primary schools as they shall require.

45. They shall be entitled to receive from the Treasurer of the State the proportion of the school fund payable annually to Howard county.

46\*. The county commissioners of Howard county are hereby authorized, empowered and directed to levy upon the taxable property of said county the sum of seven thousand dollars annually for the use of the primary schools of said county, which said sum shall be equally divided amongst the school districts of said county, excepting only the seventh district, which shall annually receive three hundred dollars more than the other districts respectively, so long as a male and female school shall be kept and maintained in said seventh district, and the aggregate
