

149. If any commissioner or inspector shall not take and subscribe such oath and transmit the same to the clerk of the Circuit Court within the time aforesaid, he shall be deemed to have refused such office; and if any person so appointed shall refuse to serve therein, or shall serve therein before he shall have taken and subscribed the aforesaid oath, he shall forfeit and pay the sum of ten dollars, to be recovered, with costs of suit, before any justice of the peace by action of debt, a moiety thereof to the use of the primary schools of the county, and the other, with costs of suit, to the use of any person who shall prosecute for the same.

150. The commissioners of primary schools, or a major part of them, shall divide the county into a convenient and suitable number of school districts, and alter and regulate the same as hereinafter directed, and immediately after the formation or alteration of the district, describe and number the same, and deliver the number and description thereof, in writing, to the clerk of the Circuit Court.

151. The clerk of the Circuit Court shall receive and record such number and description in the county records without fee or reward.

The said commissioners may alter and change the several school districts, with a view to their better arrangement and the more general convenience of the people; but no such alteration or change shall be made before the first day of April or after the first day of June in each year, unless the trustees of the district to be altered shall assent thereto.

153. The county commissioners shall direct the constables of the county, or some one or more of them, to notify the commissioners and inspectors of their appointment, and the constable or constables shall give such notice accordingly.

154. Whenever any school district shall be formed by the commissioners of primary schools, they shall within twenty days thereafter give notice in writing, describing such district, and appointing a time and place for the first district meeting, and shall set up said notice at the most public places of the district at least six days before the time of such meeting.
