

duty as surveyor, according to the best of his skill, and without favor, partiality or prejudice to any of the parties interested.

WEIGHTS AND MEASURES.

157. The clerk of the county commissioners shall be keeper of the standards of weights and measures for said county, and they shall be kept and preserved in the office of the said commissioners.

158. The said clerk shall, upon application, try, correct, brand, mark and stamp the weights and measures of any citizen of said county, and shall receive six and a quarter cents for each weight and measure, and twelve and a half cents for each scale beam tried, branded, marked and stamped, to be paid by the person for whom the service may be rendered.
