101. All persons residing on the Worcester side of the public road, dividing the counties of Somerset and Worcester, or within one mile of said road, and not on any other public road between the southern boundary of the State of Delaware and Humphrey's mill-pond, in the town of Salisbury, may perform such road labor on said road as may be due by them on any other road in Worcester county.

SCHOOLS.

102. The county commissioners of Worcester county shall be commissioners of the school fund for said county.

103. The Treasurer of Maryland shall pay to the order of said commissioners the proportion of the school fund belonging to said county.

104. They may appoint an agent to receive said fund, and may require of him such security for the performance of his duties as they think necessary, and may allow him a fair compensation.

105. They shall annually, at their first meeting after the first day of April, appoint five discreet, sensible men of said county, who shall constitute a board of primary education in Worcester county.

106. The said board may appoint a clerk, and may allow him such compensation as they think proper, to be paid out of the school fund.

107. Each member of said board shall be entitled to two dollars a day while engaged in the discharge of his duties, to be paid out of the school fund.

108. The said board shall, on the first Tuesday in May in each year, appoint a trustee for each school district in the county, and the said trustees shall cause an election to be held in their respective school districts on the last Monday in June annually, to elect four other trustees for the said school district, and report the result of such election to said board of primary education on or before the fifteenth day of July following.
