The top floor in the center of the prison under the main tower, which was also constructed in 1874, and which had been used as a chapel, was remodeled as a dormitory, supplying beds for about sixty inmates. These improvements are fireproof and cost approximately \$260,000.00.

Improvements to the Power Plant cost about \$35,000.00, enlarging the sewerage system cost \$10,000.00, and a new water supply line cost approximately \$40,000.00. (The water supply line was necessitated due to the drought this past summer.)
