### MILITIA LAW OF MARYLAND

The National Defense Act required all States to make their military laws conform with the provisions of the Act, in so far as any State law might have been in conflict or might have been deficient as to certain mandatory features of the Act, to entitle any State to participate in the Federal appropriations for arming, equipping and training the National Guard.

Accordingly, Article 65, P. G. L., Md., was repealed and re-enacted by the Legislature at its January (1922) session in which certain provisions of the National Defense Act have been incorporated as the law of the State, thereby conforming to the Act.

It was also found desirable to provide for the functioning of the ranking line officer of the National Guard on active duty pay status and to place this officer in control of the military department of the State. The authority, prerogatives and duties heretofore held and performed by the Adjutant General have, by the present law, been transferred to the ranking line officer who is responsible only to the Governor, acting for and by his direction in all matters pertaining to the Military Department of the State.
