

vestigations from time to time which have for their object the improvement of analytical methods applicable to drugs, foods, waters and sewage.

Dr. John C. Krantz, Jr., Chief Chemist, Baltimore, Md.

The Bureau of Sanitary Engineering exercises supervision of the purity of waters over the State; examines all sewage and water works projects, approves or amends them, can require through the State Board of Health, local authorities to install sewerage or water works, or to alter the construction or operation of these works; exercises supervision over the disposal of trade wastes, stream pollution in general and aerial pollution and prepares plans and specifications and supervises the construction of water and sewerage works at State Institutions.

Mr. Abel Wolman, Chief Engineer, Baltimore, Maryland.

The Bureau of Foods and Drugs controls the purity of foods and drugs; inspects pharmacies, dairies, canneries, slaughter houses, markets and other places where foods are produced, sold, manufactured or stored. It also enforces the pharmacy laws relating to the conduct of drug stores and the narcotic and poison laws.

A. L. Sullivan, Chief, Baltimore, Md.

Robert L. Swain, Deputy Drug Commissioner, Baltimore, Md.

The Bureau of Personnel and Accounts does all departmental accounting of both money and property, does most of the departmental printing, purchases all supplies, materials and equipment for the Department; directs the distribution of supplies and exercises general supervision over the employees of the Department. The Chief of the Bureau is recording secretary of the Executive Committee and of the Board. He is the official property custodian and is responsible to the Board for all property and supplies owned by the Department. The Chief of this Bureau also assists the Director of Health in the establishment of full-time County Health Departments.

Mr. Walter N. Kirkman, Chief, Baltimore, Md.

The Bureau of Child Hygiene assists health officers and nurses in their child health activities, organizes and supports health conferences for mothers, infants and pre-school children in the Counties, sends the results of examinations directly to the family doctor, offers to physicians consultations for sick children; assists physicians in securing dental or other special services or hospital accommodation for indigent children, distributes information on child hygiene to county organizations, parent-teacher associations and others, through pamphlets, bulletins, lectures, lantern slides and moving picture films. It also conducts in the Counties a course of demonstrations for midwives.

Dr. J. H. M. Knox, Jr., Chief, Baltimore, Md.
