

Through the generosity of the Associated Jewish Charities, their director, Mr. Harry Greenstein, was made available without expense to the State, to act as State Unemployment Relief Administrator for a period of nine months. Miss Anita J. Faatz, Supervisor of Social Welfare, acted as the executive officer of the Advisory Committee on Unemployment Relief prior to June 1, 1933, and since then has been assisting Mr. Greenstein. In each of the counties receiving Federal relief funds there has been set up a County Welfare Board, whose personnel is selected by the County Commissioners and the Board of State Aid and Charities. At this time County Welfare Boards have been organized and are operating in twelve counties and also in the City of Cumberland.

In Baltimore City the relief funds made available by the Federal Government and the State loan of \$12,000,000 are being administered by the Baltimore Emergency Relief Commission, appointed by Mayor Howard W. Jackson. This commission has taken over the four private agencies which have been administering relief so effectively for a period of more than two years, and hereafter, although the personnel of the city staff will be largely made up of representatives of the four private agencies, they will definitely be designated as public agents subject to the control of the City Commission, the Board of State Aid and Charities and the Federal Relief Administrator.

Maryland has not yet accepted the provisions of the Wagner Act, but Mr. Oliver C. Short, State Employment Commissioner, has been appointed Re-employment Director under the Federal Re-employment Act, and as this Manual goes to press the necessary local committees to administer that act are being organized in Baltimore City and in the various counties of the State.

Maryland has also, of course, taken advantage of the emergency conservation and reforestation work, authorized by the Federal Government.
