

## STATE DEPARTMENT OF MECHANICAL ENGINEERING

(Chapter 555, Acts of 1935.)

Terms expire first Monday in May, 1936.

It is the duty of the Department of Mechanical Engineering to make, in each fiscal year, a complete survey of all physical properties of the State, such as mechanical equipment and repairs necessary; to supervise the operation and maintenance of mechanical equipment inside and outside of all State buildings, including the heating, lighting, plumbing, ventilating, water supply and sewerage disposal. The Department is required to make an annual report of its activities, and list in detail all properties, repairs made and changes necessary. The State Engineer and the Senior and Junior Assistant Engineers are appointed by the Governor.
