

By Act of the General Assembly, Session of 1922, Part XVI Chapter 29, there was established the Department of State Employment and Registration, to be composed of the State Employment Commissioner and the various examining and licensing boards of the State, with such additional boards as may hereafter be provided for, the head of this department to be the State Employment Commissioner, and to be known as the Commissioner of State Employment and Registration.

The chief duties devolving upon the Commissioner are the classifying and preparing of specifications for all positions in the classified service; the listing, by appropriate tests, of qualified eligibles for appointment to vacancies which occur or are created; the regulation of such personnel matters as, salary adjustments, transfers, promotions, reinstatements, leaves of absence, and lay-offs; the establishment of procedure to assure tenure of service to those performing meritorious service; and the providing of ways and means for the prompt removal from the service of those who have become indolent, incompetent, inefficient, or otherwise unfit to remain therein. The Commissioner is also required to check payrolls in advance of the payment of salaries to employees in the classified service and to certify to the legality of the appointment of such employees.

The Merit System Law of Maryland is workable, efficient and must be carried out to the letter under the present administration, as publicly announced by Governor Nice.

The Fourteenth Annual Report, giving in detail the activities of the Commissioner for the fiscal year ended September 30, 1934, is available for distribution upon application to the office of the Commissioner.
