

The Governor appoints, for a term of two years from the first day in May, three skilled plumbers of Baltimore City, who, with the Commissioner of Health of Baltimore City and one member of the State Board of Health, comprise the Board. (Ch. 436, 1910.)

The law of Maryland requires that those who may desire to engage in or work at plumbing shall first secure a certificate of their competency. It is the duty of this Board to examine those so engaged and to ascertain whether or not they are entitled to a certificate.

The Board holds meetings regularly twice a week from February 1st to June 1st of each year for the renewing of and issuing of licenses and special meetings during the balance of the year.

Master and journeyman certificates are given upon a successful answer to a written and practical examination.

In Anne Arundel County there functions a plumbing commission authorized by Chapter 402 of the General Assembly 1935.
