

honest and good conversation, and displacing of others of ill behaviour.

7. That the Clerks of the Peace, and Town-clerks, and their Deputies, may take of every Ale-house-keeper for their Fee, for performing of the Services aforesaid, at the time of the acknowledgment of the said Recognizance, the Fee of 18 *d.* and no more, over and above the Fee of 12 *d.* allowed for the Justices Clerks by the Statute, which shall be paid to the said Justices Clerks.

8. That in case the Ale-house-keeper, not knowing of the Justices meeting, or being hindred by sickness, or other such like impediment, shall fail of admittance at the general or publick Assemblies, and shall notwithstanding be admitted or licensed by two Justices of the Peace, (whereof one to be of the *Quorum*) the Recognizance with condition fair engrossed in parchment in the form prescribed, as aforesaid, shall forthwith, or at the next next Sessions at the farthest, be returned to the Clerks of the Peace; or the Town-clerks respectively, under the hands of the Justices before whom such Recognizance was taken, together also with the said Fee of eighteen pence for the entering, registring, making and delivering of a Copy under his hand to the Ale-house-keeper, as aforesaid.

9. That none be licensed or allowed to keep an Ale-house that hath not one convenient lodging at least in his or their Houses, for the lodging of any Passenger or Traveller, and hath not always in his or their House good and wholesom small Beer or Ale, of two quarts for a penny, for the relief of the Labourer, Traveller, or others that call for the same.

10. That the Justices of Peace within their several Precincts do not permit or suffer any unlicensed Ale-house-keeper or Victualler to sell Beer or Ale, but that they proceed against them by all due and lawful means whatsoever; and that they be very careful, from time to time, to cause the Brewers to be proceeded against in their General and Quarter-Sessions, for delivering Beer or Ale to such unlicensed persons, according to the Statute in that case provided.

11. That the Clerks of the Peace, or Town-clerks respectively, do once every year, in *Trinity Term*, make and bring in a Brief of all such Recognizances as shall be taken within every County, City and Town Corporate, into the Office of the Patentees, (appointed by them for that purpose) to the end all concealments of Recognizances taken in that behalf may be discovered, and the benefit accruing to his Majesty by such as wilfully break the same may be more duly prosecuted; of which that his Highness be not defrauded, order is given to the Patentees, that with the allowance of the chief Justice of the Kings Bench there be appointed Committees in every County for the recovery thereof from time to time.

12. That the Justices of Assize in their Circuits, and Justices of Peace at their general Sessions of the Peace, do from time to time, enquire of the due execution of these presents, and of all other abuses, disorders, and misdemeanors whatsoever, committed or suffered against the provisions aforesaid, and the true meaning of them.

And yet the means (as I conceive) to reduce them both to a more competent number, and to better order, would be by a Law to be made by Statute, that none should be licensed to keep any Ale-house, unless they did find two good and sufficient Sureties (one of them at least to be a Subsidy-man) to be bound for performance of the Condition of their said Recognizance.
