**THE MARYLAND COMMISSION FOR THE STUDY OF  
 OCCUPATIONAL DISEASES.**

**Joint Resolution 16—Acts of 1935.**

By Joint Resolution, passed at the Legislature, 1935, the Governor is authorized and empowered to name a Commission of nine, to serve without compensation, one to represent Employees, one to represent Self-Insurers, and one member to be chosen from each of the following: The State Department of Health, the Johns Hopkins School of Hygiene and Public Health, the Medical and Chirurgical Faculty of Maryland, the office of the Commissioner of Labor and Statistics and the State Industrial Accident Commission, and two to be selected at large, to determine the need of compensation for Occupational Diseases or any such diseases under the Workmen's Compensation Law, and report the economic feasibility of enacting legislation on these questions.

The Commission is authorized to hear testimony, collect and study data and determine further what, if any, devices or preventative measures can or should be used by employers in the prevention of such diseases, to make its findings and report its communications to the Governor on or before November 15, 1936.
