State Roads Commission:

Vacancy

(Representing the State Roads Commission.)

MARYLAND TRAINING SCHOOL FOR COLORED GIRLS

(Act of 1931, Chapter 367.)

BOARD OF MANAGERS

For a great many years delinquent colored girls were committed to the Industrial Home for Colored Girls, located at Melvale. This was a private institution, but the Governor appointed two members on its Board of Managers, and it received State aid. This institution has been discontinued and the State has taken over the care of colored female minors. This new institution is known as the Maryland Training School for Colored Girls. It is managed by a Board of nine members. The new institution is located near Glen Burnie, Md. The new buildings were finished and the institution opened on December 15, 1933, at that time the girls were transferred from the Industrial Home for Colored Girls and the old institution went out of existence.
