## St. Mary's Female Seminary, St. Mary's City, St. Mary's County

Chapter 190 of the Acts of 1839 established the school as a bi-centenary memorial to mark the birthplace of the State. Therefore, it is a state-owned institution, conducted on the basis of a private boarding school; 3 upper years high school; 2 years junior college. One of its chief objectives is to keep alive the principles on which the State was founded.

Chapter 193 of the Acts of 1868 provides that there shall be one free scholarship for each county and legislative district of Baltimore City, this scholarship to include tuition, room, and board. Appointment is made by the County Board of Education and the County Superintendent of Schools in each county except Kent, Queen Anne's, and Dorchester; in these counties and in the six legislative districts of Baltimore City, appointment is made by the Senator, after the school has held a competitive examination of applicants and reported results to the Senator concerned.
