The State Industrial Accident Commission was created by Chapter 800 of the Acts of the General Assembly of 1914 and provided for three commissioners to be appointed by the Governor, not more than two of whom shall be of the same political party. After the creation of the first Commission the term of a commissioner was for a period of six years.

At the session of the General Assembly of Maryland in 1935 the personnel of the Commission was increased to five, not more than three of whom shall belong to the same political party, two of whom shall be the two Commissioners then in office whose terms expire on April 16, 1937 and April 16, 1939, respectively, and the other three Commissioners shall be appointed by the Governor immediately upon the taking effect of this Act. One of them shall hold office for a term of one year beginning April 16, 1935, another shall hold office for a term of three years beginning April 16, 1935, and another shall hold office for a term of five years beginning April 16, 1935. Upon the expiration of the term of each Commissioner, his successor shall be appointed by the Governor for a term of five years. The Governor designates the Chairman.
