

residents in Brooklyn, interested in improving traffic conditions. The Commission is requested to submit its report jointly to the Governor and the State Roads Commission, with recommendations.

**PATAPSCO RIVER—FELLS POINT TO LOCUST POINT
COMMISSION.**

Joint Resolution 6—Acts of 1935.

By a Joint Resolution the Legislature requested the Governor to appoint a Committee of five persons to investigate and study the feasibility of erecting a bridge across the Patapsco River from Fells Point to Locust Point, or to tunnel under it. The Committee is requested to submit its report at an early date in order to take advantage of any Federal funds which may be made available for the purpose.

**THE MARYLAND COMMISSION FOR THE STUDY OF
OCCUPATIONAL DISEASES.**

Joint Resolution 16—Acts of 1935.

By Joint Resolution, passed at the Legislature, 1935, the Governor is authorized and empowered to name a Commission of nine, to serve without compensation, one to represent Employees, one to represent Self-Insurers, and one member to be chosen from each of the following: The State Department of Health, the Johns Hopkins School of Hygiene and Public Health, the Medical and Chirurgical Faculty of Maryland, the office of the Commissioner of Labor and Statistics and the State Industrial Accident Commission, and two to be selected at large, to determine the need of compensation for Occupational Diseases or any such diseases under the Workmen's Compensation Law, and report the economic feasibility of enacting legislation on these questions.

The Commission is authorized to hear testimony, collect and study data and determine further what, if any, devices or preventative measures can or should be used by employers in the prevention of such diseases, to make its findings and report its communications to the Governor on or before November 15, 1936.
