Governor appoints six; two biennially for a term of years from the first Monday in May, from a list of four practicing dentists furnished by the Maryland State Dental Association. (Bagby Code, Art. 32, Sec. 2.)

The paramount duty of the Dental Board, as provided by the Dental Practice Act of this State, is to regulate the practice of Dentistry in Maryland by testing the qualifications of candidates.

It requires that all applicants for license shall be 21 years of age and shall be graduates of dental colleges duly incorporated to grant degrees in Dental Surgery by the laws of one of the United States.

Two annual examinations are held—lasting three days each—one being in the month of June, the other in November. Each applicant for examination files with the Secretary of the Board a sworn statement setting forth his age, name and address, college or graduation, etc., together with the examination fee of twenty dollars.

The examinations are both theoretical (written) and practical.

EXAMINERS OF STATIONARY ENGINEERS.

(All Terms Expire May, 1939.)

Name.	Address.
Charles E. McCleary.....	759 East 36th St.
George A. Campbell.....	4218 La Salle Ave.

The Governor appoints two for a term of two years from the 1st Monday in May. (Ch. 123, 1898.)

This Board has general supervision over all stationary and portable engineers and it is its duty to examine all applicants to apply for a license and issue such license to all who are proficient. The applicant receiving a license pays to the Board three dollars, and one dollar and fifty cents for each renewal, which renewal must be made annually.

All persons above the age of twenty-one years who desire to fill a position as an engineer must secure a license before he can enter upon his duties.

It is the duty of this Board to investigate all charges against engineers running engines without a license and also charges of intoxication, for which, upon conviction before a Justice of the Peace, the violator shall be fined not less than twenty-five dollars, nor more than fifty dollars. The Board has power to annul certificates for intoxication while on duty.

It is also the duty of the Board to visit all steam plants wherein licensed engineers are employed and ascertain if such plants are being run with proper skill and care.
