

All persons twenty one years of age or over who desires to fill a position as an engineer must secure a license before he can enter upon his duties. It is the duty of this Board to investigate all charges against engineers running engines or boilers without a license of the proper grade to cover the plant, and also charges of intoxication, for which upon conviction before a Justice of the Peace, the violator shall be fined not less than twenty-five dollars, nor more than fifty dollars. The Board has power to annul certificates for intoxication while on duty.

It is also the duty of the Board to visit all steam or other plants of machinery wherein licensed engineers are or should be employed and ascertain if such plants are being run with proper skill and care.

The Board of Hairdressers and Beauty Culturists and the laws creating it are intended to promote the public health and safety. The Board is authorized to examine, register and license all persons engaged in or teaching hairdressing or beauty culture; to secure the better education of such persons and prevent the spread of contagious and infectious diseases by promulgating rules and regulations governing the conduct and sanitation of hairdressing and beauty culture. Practice of hairdressing or beauty culture without registration, prohibited. Students and apprentices must also obtain certificates of registration. The Board appoints a secretary who shall not be a member of the Board; and may also employ a chief inspector and two assistant inspectors. It may also conduct hearings, compel the attendance of witnesses, administer oaths, and collect registration fees for the issuance of licenses, with or without examination.

The members of the Board are appointed by the Governor. The members of the first board shall serve one, two and three years, respectively, from July 1st, 1935; and succeeding members shall serve for terms of three years. Members must have at least five years' practical experience in hairdressing or beauty culture, shall be citizens of the State of Maryland, and shall not be members of nor affiliated with any establishment or concern manufacturing or selling any merchandise or commodities used in hairdressing or beauty shops, nor be directly or indirectly connected with any school of beauty culture; and no two members shall serve at the same time who are graduates of the same school of beauty culture.

The Board is self-sustaining having as its major source of revenue, fees collected in registration and licensing.
