

and Assistant Commissioner of Health of Baltimore City, constitute the Board.

It is the duty of any person, co-partnership or corporation now licensed to carry on the business of Funeral Directing and Embalming in the State of Maryland, within sixty days of the passing of this Act (June 1, 1937) to cause his, her, their or its name or names to be registered with the State Board of Funeral Directors and Embalmers of Maryland and to procure a license to carry on the business of Funeral Directing and Embalming within the State, such license to be renewed annually.

The laws generally deal with the qualification and licensing of all persons engaged and/or assisting in Funeral Directing and Embalming in the State of Maryland; the holding of examinations to determine such qualifications, and provides penalties for violations of the provisions relating to licenses and registration.

Special qualifications are required of Funeral Directors, their assistants and employees concerning the care, preparation of burial, burial or shipment of dead human bodies; the disinfection of clothing and bedding of deceased persons who have died from an infectious or contagious disease and the premises where he or she shall have died, as well as the laws (general and local) relative to burials, burial permits and the proper care, preparation for burial and burial or shipment of dead human bodies.

The law also makes provision for examination of applicants to practice Embalming in such subjects as anatomy, sanitation, disinfection, embalming (theoretical and practical), and the laws relating to contagious, infectious and communicable diseases.

The penalty for violation of the Funeral Directors Law, relating to registration and licensing, is a fine of not more than \$100 or imprisonment for a term not exceeding one year, or both. The penalty for violation of the Embalmers Law, relating to registration and licensing, is a fine of not less than \$50 nor more than \$500, or imprisonment not exceeding one year, or both.
