The Maryland Workshop for the Blind, which is located at 601 North Fulton Avenue, Baltimore, is a State institution incorporated by an Act of the Legislature of 1908—Chapter 566.

The general supervision and control is vested in a Board of five Trustees, three of whom are appointed by the Governor, by and with the advice of the Senate, and two are selected by the Board of Directors of the Maryland School for the Blind.

The Board selects its President and other officers from its own membership and is empowered to hire a secretary and other necessary employees and to fix their compensation.

The Workshop is conducted for the training, labor and manufactures of all blind citizens of Maryland over eighteen years of age, who can give satisfactory evidence of character and of their ability to do the work required of them. All the profits arising from the operation of the Workshop are used in furthering its usefulness.

It is the official commission appointed by the State from all matters pertaining to the adult blind of the State of Maryland.
