**BOARD OF REGISTRATION FOR ENGINEERS AND LAND SURVEYORS**

(Ch. 752—Acts of 1939)

In order to safeguard life, health and property and to promote the public welfare, Chapter 752, of the Acts of 1939 created the Board of Registration for Professional Engineers and Land Surveyors; with the general provisions requiring that only properly qualified persons shall hold themselves out as professional engineers or land surveyors or without designation of professional engineers or land surveyors in the State of Maryland, such persons shall be compelled to submit evidence that they are qualified to practice professional engineering or land surveying and shall be registered, in accordance with the provisions of the act.

The board shall consist of five (5) professional engineers, all of whom shall be appointed by the Governor from nominees recommended by the Maryland Chapter or Section of the American Society of Civil Engineers, the American Society of Mechanical Engineers, the American Institute of Electrical Engineers, and the American Institute of Chemical Engineers, and who shall have the qualifications required by Section 4 of this Act. The Board shall consist of at least one Civil Engineer, one Mechanical Engineer, one Electrical Engineer and one Chemical Engineer. The above societies shall each recommend not more than three nominees for the first board. In filling a vacancy, there being only one engineer of that classification on the board of the society of that classification, only shall recommend not more than three nominees. If a vacancy occurs in a classification with two engineers on the board, each of the societies above mentioned shall recommend not more than three nominees.

The members of the first board shall be appointed within ninety (90) days after the passage of this article to serve for the following terms, one member for one year, one member for two years, one member for three years, one member for four years and one member for five years from the date of their appointment or until their successors are duly appointed and qualified. On the expiration of the term of any member, the Governor shall, in the manner hereinafter provided, appoint for a term of five (5) years a Registered Professional Engineer, having the qualifications required by Section 4, to take the place of the member whose term on said board is about to expire. Each member of the board shall be a citizen of the United States and a resident of this state and shall have been engaged in the practice of professional engineering for at least twelve (12)
