

MISCELLANEOUS BOARDS AND COMMISSIONS

MARYLAND STATE FAIR BOARD

Chapter 463, Acts of 1937

P. C. Turner, Chairman.....	Parkton, Maryland
Granville H. Hibberd, Vice-President and Secretary.....	Brooklandville, Maryland
Louis Merryman.....	Sparks, Maryland
Guy Harmon.....	Queenstown, Maryland
T. Roy Brookes.....	Bel Air, Maryland
Simon L. Downey.....	Williamsport, Maryland
W. R. Harvey, 22 Light Street.....	Baltimore, Maryland
Harry A. Manley.....	Cumberland, Maryland
Albert N. McCardell.....	Frederick, Md.

The Maryland State Fair Board is composed of nine members representative of all phases of agricultural interests of the State. It is the function of the Board to encourage and foster agriculture through the promotion and assistance of bona fide agricultural fairs and exhibits. Financial assistance is extended to qualifying organizations for premium awards to exhibitors of bona fide agricultural displays. Revenues distributed by the Maryland State Fair Board are derived chiefly from racing revenues.

MARYLAND STATE PLANNING COMMISSION

(Ch. 39—Special Session 1933)

Latrobe Hall, The Johns Hopkins University, Baltimore

Members	Term Expires	Address
Abel Wolman, Chairman.....	1943.....	Baltimore
William L. Galvin.....	1943.....	Baltimore
Robert H. Riley.....	1943.....	Baltimore
Thomas B. Symons.....	1943.....	College Park
Ezra B. Whitman.....	1943.....	Baltimore

Acting Executive Secretary:

I. Alvin Pasarew.....Baltimore

The functions of this Commission are to prepare or coordinate plans for the physical development of the State including, among other things, plans for complete systems of State or regional highways, expressways, parkways, parks, water supply and forest reservations and airways and air terminals; to advise with State departments and bureaus, local authorities and individuals, with a view to the coordination of all physical development plans related to State activities; to make surveys of rural land utilization to determine areas suitable for field crops, reforestation, watershed protection, recreation, summer residence, and urban expansion; to prepare a long-term development program of major State improvements; and, generally, to make available information on subjects affecting the health and welfare of the people of Maryland and recommendations thereon.
