The Governor appoints the Commissioner for a term of four years. (Ch 747—1939).

The Commissioner is authorized and empowered to appoint and employ such deputies, inspectors, assistants and employees as may be necessary for the performances of the duties imposed upon it, provided such appointments and employments and compensation to be allowed shall be subject to the approval of the Governor.

It shall be the duty of said Commissioner (1st) to collect statistics concerning and examine into the condition of labor in the State, with especial reference to wages, and the causes of strikes and disagreements between employees and employers.

(2) To collect information in regard to the agricultural conditions and products of the State, the acreage under cultivation and planted in the various crops, the character and price of land, the live stock, etc., and all other matters pertaining to agricultural pursuits, which may be of general interest and calculated to attract immigration to the State.

(3) To collect information in regard to the mineral products of the State, the output of mines, quarries and so forth, and the manufacturing industries.

(4) To collect information in regard to railroads and other transportation companies, shipping and commerce.

(5) To keep a bureau of general information and to this end all offices and institutions of the State, including offices of the General Assembly, are directed to transmit to the Commissioner of Labor and Statistics, all reports as soon as possible.

It shall be the duty of the Commissioner to organize, establish and conduct free employment agencies in such parts of the State as the
