On or before December first of each year (also, at such other times as may be desirable) the State Auditor makes to the Comptroller, in writing, full and detailed reports of the results of his examinations of the books and accounts of the offices, departments, boards, commissions and institutions examined, with suggestions as to changes in the method of keeping the books and accounts, the adoption of uniform systems of accounting, and changes in the forms of reports by said officers to the Comptroller. The State Auditor also reports to the Governor when requested and when he deems it necessary and desirable to do so. In addition, it is the duty of the State Auditor to report to the Comptroller all violations of law and orders of the Comptroller in the conduct of and in keeping the books and accounts of the offices and institutions examined by him, and to make such suggestions as to amendments of the laws of the State as he may deem advisable to protect the interests of the State.
