STATE BOARD OF LAW EXAMINERS
Court of Appeals, Annapolis, Maryland
 Telephone: 4261

Name	Postoffice
Parsons Newman, Chairman.....	Frederick
Wilson K. Barnes, Secretary, 901 Maryland Trust Bldg.....	Baltimore
John S. Whaley.....	Snow Hill

All petitions presenting applications for admission to the Bar made subsequent to June 1, 1945 are addressed to the Court of Appeals but are filed with the Secretary of the State Board of Law Examiners.

All applicants for admission to the Bar are referred by the Court of Appeals to the State Board of Law Examiners who shall examine the applicant, testing his or her qualifications for admission to the Bar.

The Court of Appeals prescribes rules for a uniform system of examinations which govern the Board of Law Examiners in the performance of their duties. No one is examined who is not a citizen and who shall not have studied law in an approved law school in some part of the United States or in the office of a member of the Bar of this State for at least three years. On payment of one examination fee the applicant is entitled to the privilege of three examinations, but no more.

The Board reports its findings in the examination of applicants to the Court of Appeals, with any recommendation it decides to make. If the Court of Appeals then finds the applicant qualified to discharge the duties of an attorney, and to be of good moral character and worthy to be admitted, the said Court then passes an order admitting him or her to practice in all the courts of the State.
