

W. Allen Griffith, M.D.	Berwyn
E. Paul Knotts, M.D.	Denton
Edward M. Hanrahan, M.D.	Baltimore

The Board of Medical Examiners of the State of Maryland (Homeopathic) has the following officers:

Maurice E. Shamer, M.D., President	3300 West North Avenue, Baltimore
John A. Evans, M.D., Secretary-Treasurer	612 West 40th Street, Baltimore
Arthur J. Davies, M.D.	Baltimore
M. Bowman Hood, M.D.	Baltimore
Harry M. Moore, M.D.	Glen Burnie
Henry Russell, M.D.	Baltimore
Henry H. Stansbury, M.D.	Baltimore
J. Ward Wisner, M.D.	Baltimore

The members of the Board are appointed by the Maryland State Homeopathic Medical Society.

The function of the Boards is to test the fitness of physicians for the legal practice of medicine in this State and to issue licenses to those qualified. Candidates applying to the Board representing the Medical and Chirurgical Faculty must be graduates of medical schools approved by the American Medical Association and the Association of American Medical Colleges. Graduates of foreign medical schools are considered individually.

The qualification for practice is determined either by written examination given by the Board, or by recognition of license obtained after written examination in a reciprocating State, or by endorsement of certificate of National Board of Medical Examiners.

Two examinations are held each year, usually in June and December, in the following subjects: anatomy, medical chemistry, materia medica, physiology, therapeutics, practice of medicine, obstetrics, surgery and pathology.

A fee of \$20.00 is required of each applicant for examination. Physicians seeking license in recognition of license issued in a reciprocating State, or of a National Board certificate, pay a fee of \$50.00. A fee of \$10.00 is charged for certification of credentials for transfer to another State. The fee for review and evaluation of foreign credentials is \$5.00.

During the 1943 session of the Legislature, two bills amending the Law Regulating the Practice of Medicine in Maryland were passed, namely: Senate Bill No. 84, making it legally possible for graduates of accelerated medical courses to be admitted to examination for license to practice medicine in Maryland; and House Bill No. 644, which prohibits advertising by physicians and surgeons.

BOARD OF EXAMINERS OF MOVING PICTURE MACHINE OPERATORS

506 E. Baltimore Street, Baltimore 2, Maryland
