The Board of Osteopathic Examiners was established in 1914. The Board is composed of five members appointed by the Governor from a full list of members in good standing of the Maryland Osteopathic Association. The term of office is for three years (Code 1939, Art. 43, secs. 411-414).

The Maryland Board of Osteopathic Examiners on receiving applications for license to practice Osteopathy within the State, investigate the credentials of the applicant and if they meet with the requirements, a license is issued by the Examining Board. Two meetings are held each year for the examining of such applicants whose credentials will not warrant issuing of a license through the Previous Practice, or Reciprocity Acts. The examining Board co-operates with municipal and state officials in enforcing the laws regulating the practice.
