

offers courses for women in homemaking and prepares students for employment in recreational and leisure-time activities through its departments of music, drama, and physical education. Through courses in commerce, training is given to students looking forward to careers in business. In order to perform these functions the College operates in three divisions: (1) *The College* which at the Campus on Hillen Road offers a standard four year course in the liberal arts and teacher training; (2) *The Summer School*, which meets at the Hillen Road campus for six weeks each summer and is designed primarily to offer "in-service-training" to colored teachers in Maryland schools; (3) *The Evening School* which is operated in cooperation with the Department of Education of the City of Baltimore; courses are given each evening throughout the academic year at Douglass High School providing an opportunity for youth and adults to secure instruction on the college level and to provide "in-service-training" to teachers in the Baltimore area. During the academic year 1947-48, Morgan had a net enrollment in all divisions of 2036, with 1436 regular students, 375 evening students, and 562 summer students.

The first State Scholarship fund for negroes was established in 1933 when the Commission on Higher Education for Negroes received an appropriation for this purpose. Since 1939, the fund has been administered by the Board of Trustees of Morgan State College. It is the purpose of the fund to render financial assistance to qualified negroes of the State for the pursuit of professional and graduate studies not available to them in this State. Three grants are made each year—first semester, second semester, and summer semester.
