The Board consists of five members appointed by the Governor for terms of three years. As vacancies occur, the Maryland State Nurses Association submits to the Governor the names of five of its members from which appointees must be selected. It is the duty of the Board to examine all applicants for registration as "Registered Nurse" and to issue the proper certificate. It is also the duty of the Board to examine applicants for the license "Licensed Practical Nurse," and to issue the proper certificate. A register of the names of all nurses registered and licensed is kept open to the public. The Board visits hospitals, and schools of nursing, and concerns itself with the course of study and nursing education carried on in these schools. For sufficient cause, the Board, by a majority vote, may revoke any certificate (Code 1939, Art. 43, secs. 287-296).

The Board cooperates with the National League of Nursing Education by contributing to its test pool and using its examinations and with the State Board of Education by making practical use of its Equivalent Examination.
