The State Teachers College at Towson was established as the Maryland State Normal School by the General Assembly of 1865. The school was originally located in Baltimore and was moved to Towson in 1915. In 1932 the normal school became a four-year teachers' college. The curriculum includes courses in both junior high school and elementary teaching leading to the degree of Bachelor of Science in Education. The school also offers a two-year junior college course. Students enrolling in the four-year curriculum for prospective teachers pay no tuition if they promise to teach in the public schools of the State for two years following their graduation.
