

was limited to Baltimore City. The present Commission was established in 1910. Its jurisdiction includes all of the State, excepting Prince George's and Montgomery Counties. The Board is composed of five members appointed by the Governor for two year terms. One member shall be from Western Maryland, one from Southern Maryland, one from the Eastern Shore and two from Baltimore. The Commission examines and certifies journeyman and master plumbers, however, the latter must have held journeyman certificates for at least two years prior to applying for a master's certificate. All certificates must be renewed annually. Appeals from the results of examinations may be taken to a board of arbiters, one member being appointed by the appellant, one by the Commission, and a third member appointed by the other two members of the arbitration board. All members of the board must be certified plumbers within the State (Code 1939, Art. 43, secs. 318, 319, 321-324; Acts 1949, Ch. 449).

The practice of medicine in Maryland is regulated by two Boards of Medical Examiners, one representing the Medical and Chirurgical Faculty (State Medical Society) and the other representing the Maryland State Homeopathic Medical Society. Each Board consists of eight members appointed by their respective societies, two being elected each year to serve for a term of four years. All members must be engaged in the actual practice of medicine (Code 1939, Art. 43, sec. 117).

The function of the Boards is to test the fitness of physicians for the legal practice of medicine in this State and to issue licenses to those qualified. The Boards may revoke the license of any physician who forfeits the privilege of practicing medicine. Candidates for licenses applying to the Board representing the Medical and Chirurgical Faculty must be graduates of medical schools approved by the American Medical Association and the Association of American Medical Colleges. Graduates of foreign medical schools must present di-
