

Association of Optometrists. Since 1923, members have been appointed for four-year terms (Code 1939, Art. 43, sec. 353). The Board administers the optometry laws of the State and regulates the practice of optometry. It examines, licenses, and registers. Applicants for examination must be 21 years of age or over and graduates of colleges of optometry or university schools of optometry approved by the American Optometric Association and the International Association of Boards of Examiners in Optometry. Two examinations are held each year, usually in January and July, in the following subjects: anatomy, physiology, theoretic optics, pathology, physiological optics, practical optics, theoretical optometry, perimetry, diagnosis, prescription, determination, contact lenses, practical optometry, orthoptics, visual training, and optometric jurisprudence. For just cause, the Board may revoke any certificate of registration or examination (Code 1939, Art. 43, sec. 365).

The Board of Osteopathic Examiners was established in 1914. The Board is composed of five members appointed by the Governor from a full list of members in good standing of the Maryland Osteopathic Association. The term of office is for three years (Code 1939, Art. 43, secs. 411-414).

The Maryland Board of Osteopathic Examiners on receiving applications for license to practice osteopathy within the State, investigates the credentials of the applicant and if they meet with the requirements, a license is issued by the Examining Board. Two meetings are held each year for the examining of such applicants whose credentials will not warrant issuing of a license through the Previous Practice, or Reciprocity Acts. The examining Board co-operates with municipal and State officials in enforcing the laws regulating the practice.
