The State Accident Fund, originally a part of the State Industrial Accident Commission, was established as a separate agency in 1941. The State Accident Fund is under the direction of a board of five members appointed by the Governor for a term of five years, the term of one member expiring each year (Acts 1949, Ch. 266). The board annually elects its officers. The board also appoints the Superintendent who has active direction of the agency. The board is further empowered to make such rules and regulations as may be necessary to administer the Accident Fund. The State Accident Fund is the State's Workmen's Compensation Insurance Carrier. Through the fund employers may carry insurance for the payment of claims which may arise from accidents and injuries to the employees as allowed under the Workmen's Compensation Law. Representatives of the State Accident Fund are located at Easton and Frederick.
