Pikesville Armory, Pikesville 8

Telephone: Pikesville 2360

The Maryland Civil Defense Agency was established by the Maryland Civil Defense Act of 1949. The Director of the agency is appointed by the Governor. The agency is charged with the preparation for and the carrying out of emergency functions, other than functions for which military forces are primarily responsible, to minimize and repair injury and damage from disasters caused by enemy attack, sabotage or other hostile action, or by fire, flood, earthquake or other natural causes. The agency is also authorized to cooperate with the Federal government, the governments of other states and local political sub-divisions of this State in organizing and coordinating civil defense plans. The General Assembly of 1951 authorized the Board of Public Works to issue bonds in the aggregate sum of \$1,000,000.00, the proceeds thereof to be used for certain necessary equipment, supplies, land, buildings and payment of certain necessary salaries and operating costs in connection with Civil Defense.

* Federal Appropriations are approximate.
