This Board was created in 1914 when the Governor appointed five persons, for terms of four years, from a list endorsed by the Maryland Association of Optometrists. Since 1923, members have been appointed for four-year terms (Code 1939, Art. 43, sec. 353). The Board administers the optometry laws of the State and regulates the practice of optometry. It examines, licenses, and registers. Applicants for examination must be 21 years of age or over and graduates of colleges of optometry or university schools of optometry accredited by the American Optometric Association and the International Association of Boards of Examiners in Optometry, and approved by the Board. The credentials of the applicant must comply with standards set by this Board. Two examinations are held each year, usually in January and July, in the following subjects: anatomy, physiology, theoretic optics, pathology, physiological optics, practical optics, theoretical optometry, perimetry, diagnosis, prescription determination, contact
