**DEPARTMENT OF LEGISLATIVE REFERENCE**

Carl N. Everstine, Director

City Hall, Baltimore 2 Telephone: Plaza 2-2000

The Department of Legislative Reference was originally created in 1906 to serve the City of Baltimore; in 1916 the scope of the Department was enlarged to serve the State as well. The Department collects, compiles and indexes information on all questions of proposed legislation. The Department investigates and reports on the laws of Maryland and other States at the request of the Governor, any committee or member of the General Assembly, or any State agency. At the request of a member of the General Assembly, the Department prepares or aids in the drafting of any law or resolution. During sessions of the General Assembly, the Department maintains offices in the State House at Annapolis. Each department of the State Government is required to transmit to the Department of Legislative Reference at least two copies of each of its reports which are used for exchange and reference purposes by the agency. To aid in their research, the Department maintains a complete index and a complete file on all bills introduced in the General Assembly from 1908 to the present, the Codes and Laws of other States, and a library comprising 19,000 books and 56,000 pamphlets and reports, in addition to a number of periodicals and clippings from magazines and newspapers. The Department also has supervision of the Archives of Baltimore (Code 1951, Art. 41, secs. 117-121).
