The Maryland Civil Defense Agency was established by the Maryland Civil Defense Act of 1949. The Director of the agency is appointed by the Governor. The agency is charged with the preparation for, and the carrying out of, emergency functions other than functions for which military forces are primarily responsible, to minimize and repair injury and damage from disasters resulting from enemy attack or natural causes. The agency is also authorized to cooperate with the Federal government, the governments of other states and local political sub-divisions of this State in organizing
